## **Kennel Free Boarding**

Arfie's Doggie Day Care is proud to provide a unique experience in boarding for your Canine Friend. We recognize that there will be times that your Doggie Companion cannot travel with you and that making arrangements for accommodations for your pet can be an added stress to your plans. We provide Kennel Free Boarding as a way to eliminate some of that stress.

### **Advantages of Kennel Free Boarding**

- Your Dog is attended to 24 hours a day.
- We do not put your dog in a kennel overnight. They choose where they want to sleep.
- Less stress on you and your Pet.
- Liberal drop-off and pick-up times. We will work around your schedule.
- Your dog will get the added benefit of the Day Care experience. They get to be part of the "pack".
- You don't have to impose on your family and friends while you are traveling.

### **Requirements for Kennel Free Boarding**

- All Arfie's Doggie Day Care paperwork completed and signed. Forms can be found on our website at [arfies.com](http://arfies.com) or picked up onsite.
- Proof of updated vaccinations to include Parvo, Rabies, Distemper and Bordatella.
- Reservations made at least two weeks in advance. Space is limited, earlier is better, especially during peak holiday times.
- We need you to bring enough of your dog's normal food to cover your dog's stay along with written feeding instructions. Changing your dog's normal diet can cause diarrhea and added stress.

*We recommend that you bring your dog to Doggie Day Care at least once or twice before your boarding time to familiarize your dog with the day care routine. This also reduces the stress when you get ready to leave them with us and gives us a chance to get to know your Best Friend.*
